5 Bedrooms | 3 Bathrooms | 2,616 Sqft

Surprise for the wise! Check out this beautiful 2616 sq ft 5 bedroom home that has been renovated and updated from top to bottom. Just move in and enjoy - at today's costs for renovations (plus the difficulty of finding a contractor), this home really makes sense! Hard to find double garage and level driveway all situated on a quiet and peaceful 6028 sq ft picturesque cul-de-sac lot. An ultra convenient location for easy commuting, school (Seaquam Secondary) and shopping access. Definitely a home to be proud of!
