Welcome home to Highgrove III! This beautiful townhome shares only one wall like a duplex and feels more like a house. Extensively renovated about ten years ago and recently completely painted with refinished flooring too. Great kitchen updates with white shaker style cabinets, stone countertops and stainless steel appliances. Oversized windows/ceilings throughout with very bright living areas. Primary bedroom on the main floor with a walk-in closet and full ensuite. The upstairs has three large bedrooms and a full bathroom. Very quiet location with large private covered patio and fully fenced backyard. Pet friendly! Located in a great area, walking distance to shopping, walking trails, restaurants and more. Reach out today for a viewing!
